

Every Child In Frankston Can Swim

Join a fully subsidised swim program to help us find innovative ways to teach swimming and water safety.

Over January and February 2024, Peninsula Leisure are running 3 pilot swim programs to test non-traditional Learn to Swim models. Through these programs we hope to learn more about swimming and water safety skills and knowledge, helping us towards our goal of 'Every Child in Frankston Can Swim'.

Fully subsidised swim programs available are:
